ONE OF THE BIGGEST EXHIBITION & CONFERENCE
HELD ON 16TH - 18TH MARCH, 2016

SHM Shipcare participates in the APM 2016

Dear Esteemed Partner,

We would like to share that SHM Shipcare participated in the Asia Pacific Maritime Exhibition (APM), one of Asia's biggest, at Singapore. We were honored to be one of the integral participants of the spectacular event and, to have got the opportunity to showcase our indigenous range of products and services, which were on full display at the Marina Bay Sands Convention Centre, between 16-18 March 2016.

We were not only elated to have all our partners visit our booth and take keen interest in our products, but were also humbled by the response of other visitors from all across the South East Asian market.

We would like to take this opportunity to thank you for the support and encouragement given to us and assure you that we are available 24/7 to attend to your needs and requirements across all our offices in India, Singapore, Malaysia, Dubai, and Sri Lanka.
